PRESIDENT MARCOS: Yes.

Q: Sir, your comments lang, the Russian submarine has entered...?

PRESIDENT MARCOS: No, no. We'll let the military discuss it with you. But I don't think it is a subject that we should... Let's just wish Merry Christmas to all of these people.

Q: But sir, how concerning is that na mayroong Russian submarine?

PRESIDENT MARCOS: All of that is very concerning. Any intrusion into the West Philippine Sea, of our EEZ, of our baselines is very worrisome. So, yes, it's just another one.
